WORKS TO THE BUILDING.

After a great deal of background work to find suitable trades and skills, gain permissions, and manage diaries - not least for times of worship and current weddings - we approach the point where we shall start exploratory works in the Lady Chapel, South Transept and Chancel. After the weekend of 2nd/3rd August the ORGAN shall be 'dressed' and prepared to protect it from dust ; soon after this the CHANCEL shall be cleared of furniture - we shall use the ALTAR-TABLE in the Nave and receive Holy Communion standing ; soon after this an inspection pit will be dug into the Chancel floor and within the Lady Chapel ; and in mid-August explorations made into the cause of the floor movements, and then toward possible remedies. Beyond this we do not yet know, but we SHALL try to keep you informed. - Do please ASK if you have questions, and do please SAY if you have concerns.

Thank you, once again.

Matthew - Vicar
Paul - PCC Secretary

PLEASE take this away with you for information and prayer.
